 - Michael Kasparian, President, Falmouth Chamber of Commerce

"The support of our business community is crucial to the continuation of live community television coverage. You can make the difference!"
 -Debra Rogers, CEO, FCTV

"I am a supporter of FCTV at our Town Meetings because it brings our local legislative branch (Town Meeting) to the taxpayers and citizenry of Falmouth so they can transparently see the way our form of government functions. It also allows them to see the dialogues and decision-making process that they themselves can participate in as well."
